WELCOME

The Neos Consulting Group benefit program you receive while you are an employee of our company is administered by CuatroBenefits LLC. Our dedicated Account Executive is Kayla Fanning. Please contact our Account Executive for any escalated or urgent issues.

Your benefit enrollment is very important. We utilize Ease as our benefits portal. Please review the following guidelines to assist you in submitting the appropriate enrollment and documentation to enroll in the benefit plans offered. Timely submission will ensure coverage for you and your family members. We urge you to keep this handbook and refer to it when you have questions about your benefits. Should you have any questions or need assistance, please contact your HR Department. Benefit information is stored year-round in Ease both on the web and via the smartphone app.

Obtaining Services before you get your Benefit ID Cards

If you change medical plans/carriers during open enrollment or you are a new hire who does not submit their enrollment in a timely manner, you may not receive your ID card prior to the effective date of your benefits. Until you receive your ID card, you may have to pay for services in full and get reimbursed by the carriers after you have your enrollment information. Be sure to save all your receipts and contact your HR Department for more information on how to file carrier claims manually for reimbursement.

PLAN ELIGIBILITY

All full-time employees working at least 30 hours per week are eligible to enroll in the insurance benefits provided by Neos Consulting Group. Employees regarded as part-time or temporary are not eligible for benefits.

Benefits are effective on the first of the month following your full-time date of hire.

Enrollment is not automatic. Participation cannot begin without completion of the required enrollment via Ease online. Please use Google Chrome for best results.

IF YOU ARE A NEW EMPLOYEE:

You are required to complete enrollment within 30 days of your date of hire to ensure that you are enrolled in a timely manner and have access to the benefits on the first day they are effective.

IF YOU ARE A CURRENT EMPLOYEE:

You may begin, stop, or change your coverage elections as a result of a qualified life status change as defined by Section 125 of the Internal Revenue Code and allowed by this plan. Medical plan changes are **NOT** allowed until the next open enrollment period without a qualifying life status change. See the “Qualifying Life Events” section for a complete list.

DEPENDENT ELIGIBILITY

You can enroll dependents on applicable benefit plans. Eligible dependents include:

- Your legal spouse
- Your domestic partner (must complete notarized Affidavit of Domestic Partnership)
- A child under the plan limiting age (26 for medical)
 - *Child* means a natural child, a stepchild, an adopted child, regardless of presence or absence of a child's financial dependency, residency, student status, employment status, marital status, or any combination of those factors.
- Any child of any age who is medically certified as Disabled and dependent on the parent
- A child of your child who is your Dependent for federal income tax purposes at the time application for coverage is made
- A child not listed above whose primary residence is your household and to whom you are legal guardian or related by blood or marriage, and who is dependent upon you for more than one-half of their support as defined by the US Internal Revenue Code.

INELIGIBLE DEPENDENTS:

Please review the eligibility requirements described above. Any ineligible dependents must be removed from your coverage as soon as they become ineligible. Here are examples of some ineligible dependents:

- Anyone who is not your legal spouse or child as defined above
- Dependents no longer covered by a court order
- Dependent child(ren) with coverage available through another employer group

QUALIFYING LIFE EVENTS

You have **30 days** from the date of any qualified life status change to notify your HR Department and complete any applicable changes via Maxwell Health. If you do not make your eligible changes during the 30-day change period, your changes **CANNOT** be made until the next Annual Open Enrollment period. The list below includes some common examples of qualified life events:

- Marriage
- New baby – coverage will be effective as of the date of birth
- Divorce
- Employment status change – part-time to full-time
- Loss or gain of other coverage – coverage will be effective on the first of the month following the last day of your previous coverage
- Child turns age 26

WAIVING MEDICAL COVERAGE

You may decide that you do not want medical coverage with us. In the event that you waive coverage, you cannot enroll in this health plan unless you experience a qualifying life status change or during the next open enrollment period

TRANSITIONING TO THE PLAN

If you are moving from another carrier, you will need to notify your doctors and pharmacy of your new carrier as well as policy and ID number. Please ensure that your doctors are in the new carrier network and that your prescriptions are on the formulary list. See the carrier website for more information. You will receive an ID card in the mail in 7-10 business days after implementation is complete. Please look out for that via mail as they come in a small, easy to miss envelope!

PAYING FOR YOUR MEDICAL BENEFITS

Your employer makes a significant investment in your medical benefits. Medical deductions are based on your effective date and any retroactive changes will be collected from the next available paycheck. Please see Ease for plan pricing. Please be sure to regularly review your payroll deductions to ensure accuracy.

Registration on carrier website:

We highly recommend that you register as a member with all carriers to gain access to additional benefit information as well as perks for being a member. You will need to have your ID card handy when registering.

1. Visit www.myuhc.com
2. Select "Login "
3. Select "Register"
4. Flow through each screen to register

PRESCRIPTION DRUG INFORMATION

For more information on how prescription drugs are covered, please visit UHC.com and navigate as a member to the United Healthcare Rx info and United Healthcare Specialty Pharmacy. You can also obtain information about prescription coverage through logging in once you're registered. Reach out to Kayla Fanning if you need a pdf list of approved prescriptions. Please keep in mind that every carrier changes their Rx allowable list on an annual or semi-annual basis to keep up with the ever-changing market for drugs. Talk to your provider and reach out to Kayla with any issues or questions.

VOLUNTARY DENTAL INSURANCE

All eligible employees have the option to enroll in the comprehensive dental plan offered through Principal Financial Group. This benefit is a voluntary benefit and paid 100% by the employee. You are responsible for all employee and dependent cost through payroll deductions.

All members should register with Principal.com to download temporary ID's, search for providers, and verify benefits.

PPO Dental Plan

A PPO plan allows the member to see in and out of network providers. This would be a good plan to choose if you do not want to change your current dentist even if they are not in the carrier network. In-network benefits are paid on a percentage basis and an annual deductible will apply. Once you have reached the stated annual maximum, the dental carrier will not pay out any more for claims for that member.

FILING A CLAIM

If you are using an in-network dentist, they will file all claims on your behalf. Out of network providers may require you to submit claims for processing. See your HR Department for claim forms.

Please visit the Principal website at https://c3.go2dental.com/member/dental_search/provsel.cgi to find a list of providers in your area. Neos Consulting Group will provide all full-time employees with a \$50,000 Basic Life and Accidental Death & Dismemberment for the employee at no cost. LOW COST GENERICS PROGRAMS

Many pharmacies have established their own discounted generics programs to help individuals save money on generic prescriptions. These programs are not associated with your medical insurance benefits so you would **NOT** show the pharmacy your insurance card when using these programs. Due to the fact that a claim is not being submitted to your medical carrier, you do not get deductible credit for any purchased prescriptions but the lower cost of these drugs is often less than the listed copays on the medical plans.

Below is a brief summary of some of the programs for the major pharmacy providers. Be sure to check with your pharmacy to see what programs they offer if they are not listed below.
